- ▶ MONOCACY BLVD
- ▶ SOUTH STREET
- ▶ AMERIGAS ENTRANCE
- ▶ REICH'S FORD ROAD

PROJECT UPDATE

The I-70 Phase 2D project is in its 25th month of construction.

In March, crews completed the west abutment (end support) for the new South Street bridges and finished splicing fiber optic line along the I-70 median.

Construction activities scheduled for April include continued work to create "rock sockets" for the bridge pier (support column) foundations, continued work on the east abutment, and roadway grading.

Construction activities for May include continued work on the rock sockets and paving widened I-70.

For everyone's safety, please drive carefully, stay alert and reduce speed when traveling within the project work zone.

We request that the public not trespass in construction areas.

April 2013

WORKING HOURS/DAYS

Normal construction working hours are 7 a.m. to 5 p.m. Monday through Saturday. Work is not permitted on the following holidays:

**New Year's Day
Good Friday
